A cornerstone of Northwest Film Forum's mission is the discovery of new voices, and we rely on individuals to help make their films possible. Each year we support the production of over thirty films through programs such as this one, our equipment grants and direct commissions. In all, each year we are able to provide over \$1 million to filmmakers, film projects and arts organizations through such programs.

Northwest Film Forum is a 501(c)3 organization and our tax ID number is 91-1702331. No goods or services are provided in exchange for contributions to our fiscal sponsorship program.

Contributions to Black & Tan Hall are facilitated by Northwest Film Forum and can be made through multiple means.
